

## **FISCAL NOTE**

### **SB 2902 - HB 2521**

February 29, 2000

**SUMMARY OF BILL:** Authorizes the board of a water and wastewater treatment authority to adopt by majority vote regulations for governing the operation and maintenance of a single-home on-site aerobic sewage treatment plant which may be utilized without a field line system for final disposal that meets or exceeds the requirements of ANSI/NSF Standard 40. Requires regulations be consistent with or more stringent than the Water Quality Control Act. Authorizes the board to establish a separate account for such plants.

### **ESTIMATED FISCAL IMPACT:**

**MINIMAL**

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
